Attorney's Docket No. 09100.020

PATENT

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re: Caroline CONNELLY et al.

Appl. No.: 09/857,433

Group Art Unit: 1645

Filed: March 5, 2002

Examiner: R. Gitomer

For: HOMOCYSTEINE ASSAY

RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is filed in response to the Restriction Requirement originally issued on March 4, 2004, for which the period for response to which has been reset to September 25, 2004 in the Examiner Interview Summary dated August 25, 2004. No extensions of time or fees therefore are necessary for this response.

In response to the restriction requirement, Applicant hereby elects to prosecute the claims of Group I, namely claims 1-19 and 21-23, directed to an assay.

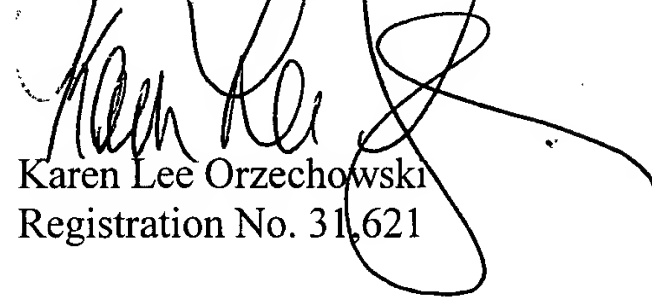

Upon the indication of allowable subject matter, Applicant requests reconsideration of this restriction requirement and consideration of the claim of Group II drawn to a kit for a homocysteine assay.

It is believed that no petition or fee is due with this submission. Should that determination be incorrect, then please accept this as an appropriate petition and advise the undersigned of any required fee therefore.
